

Enhance your company performance and stay ahead of competitors with **TEAM Wearside**

Need a free pair of hands?

Placements are a key element of learning on a number of our training programmes. TEAM learners are available for short and long term durations across a range of sectors at no cost to the employer.

Vacancies need filling?

For just £80 per week TEAM Apprentices are an ideal way of recruiting enthusiastic new staff in a range of vocational areas including Retail, IT, Hospitality and Care of the Elderly. A full support package is in place for all employers.

Are employees as productive as they could be?

Your company could be eligible for free training to industry standards for existing employees through the Train to Gain programme. Research shows that trained and committed employees have a direct impact on the companies' productivity and growth.

Are you meeting legislative requirements?

TEAM Wearside has specialists at hand to provide commercial training and guidance to employers in a range of key areas including Health and Safety Policies, Risk Assessments and PAT Testing.
